Get Together

Dino Valenti

I

Love is but a song we sing—fear's the way we die,
You can make the mountains ring or hear the
angels cry,
Though the dove is on the wing and you may not
know why.

II

Some may come, and some may go,
We will surely pass,
When the wind that left us here, returns for us
at last
We are but a moment's sunlight—fading on the
grass . . .

III

If you hear the song I'm singing — you will
understand
You hold the key to love and fear — all in your
trembling hand
Just one key unlocks them both — it's there at
your command.

Chorus

Come on people now, smile on your brother.
Everybody get together, try and love one another—
right now!
